Jr. Golf Tournament Day Information

Please make sure you and your parents read the following information.

1. Make sure you have a score card and your name is on it before you get to the Tee Box.
2. You will be exchanging score cards and keeping the score of that person's round.
3. You will be following the course rules. However, if you are not on the green in 6 strokes, pick up your ball and drop it on the green for a 7. While on the green, if after 3 putts you have not made it in the cup, pick up your ball, add 1 stroke to your total score then move to the next Tee Box.
4. When done, make sure you sign the score card.
5. **Parents**, you may walk the course while your child is playing. However, you **MUST** remain on the cart path at all times, not on the fairway. You are not to talk or coach your child while on the course. Failure to follow will result in a disqualification of your child in the tournament.
6. Group and individual photos will be taken prior to tee off. You may pick up a copy of the individual photo when you turn in your score card at the registration desk. Group photos will be ordered and delivered at golf course if requested.
7. Players may obtain distance information by using a device that measures distance only.

THANK YOU FOR YOUR PARTICIPATION.
